Expressway Trucks Update

Labour Day Weekend — Holiday Hours

Happy Labour Day! All three Expressway Trucks locations will be **closed** on Monday, September 6th for Labour Day! Our regular hours will resume on Tuesday, September 7th. We hope you have a happy & safe long weekend!

Hino Update

The Hino assembly plant in Woodstock, ON is scheduled to start production on a limited number of 2022MY chassis starting in September. Unfortunately, all 2022MY production is already sold out. The **2022 & 2023 Hino "L Series" Trucks** will now be powered by Cummins engines. Known in the industry for being reliable, durable, fuel efficient, and high quality, the Cummins engines are an excellent addition to compliment the Hino "L Series".

LIMITED TIME OFFER: Order a NEW Hino L Series and receive a 5 year/400,000 KM Cummins engine warranty at no extra cost. Offer ends August 30th, 2021.

Plan your Hino truck requirements now as availability will be limited in 2022. Now is the time to order your 2023 Hino trucks. Get in touch with **Scott Leis** today to learn more about 2023 lead times, pricing, specifications, and available extended warranty programs.

Email: scott.leis@expresswaytrucks.com **Phone:** 226-339-7805

Expressway Waterloo Update

Staff Appreciation Lunch Featuring the Schmuck Truck!

Our dedicated staff work hard each and every day to uphold a fantastic work environment, and to ensure a positive and fulfilling experience for each and every one of our customers. To show our appreciation, we held a delicious lunch for our staff with food provided by the always amazing Schmuck Truck!

A big thank you to everyone at Schmuck Truck for providing an incredible lunch for all of our hardworking staff!

Employee Announcements — Welcome to the Expressway Trucks Team!

Expressway Trucks Sales

Exciting Times Here at Expressway Trucks!

Our much anticipated VHDs and VNXs have started to arrive! Our partners have been busy installing dump boxes, and our very own crew have been installing and setting up the SPIF control systems for the lift axles.

Most of the units we have on the ground today are sold, however there are a limited number still coming in 2021. We have also secured more builds for early in 2022, which can still be adapted for different applications as long as we act soon.

These are great looking, tough and capable work trucks that are ready to perform, and we don't want you to miss out on securing one for yourself!

Give us a call today and ask for Vocational Sales, so we can help in getting this process started for you!

- Barry Peters, Volvo New & Used Truck Manager
